
CM HEADEND

CM EDFA 122

- ✓ Optical amplifier 1550 nm DFB laser
- ✓ Optical power 22 dBm
- ✓ Internal power supply

CM EDFA 122

TECHNICAL TABLE

| REFERENCE | | CM EDFA 122 |
|------------------------------------|----------|--------------------------------|
| Code | | 274108 |
| Connections | | |
| Optical ports input | No. | 1 |
| Optical ports output | No. | 1 |
| Input | | |
| Longitud de onda de trabajo (CATV) | nm | 1535 - 1564 |
| Potencia óptica de entrada (CATV) | dBm | ≤10 |
| Output | | |
| Optical power OUT | dBm / mW | 22 |
| Input-Output | | |
| Input - output isolation | dB | 30 |
| Optical Connectors | | SC/APC |
| Power | | |
| Power input | Vac / Hz | 90-265 / 50-60 |
| Consumption | W | 5,6 |
| General | | |
| LEDs STATUS | | Potencia óptica y alimentación |
| Temperature | °C | -5...65 |

- Specifications and design are subject to change without notice

- The product meets CE marking requirements. The declaration of conformity is available on the website www.ek.plus
