

SYSTEM OF PROTECTION/ FIXATION CHROMECAST

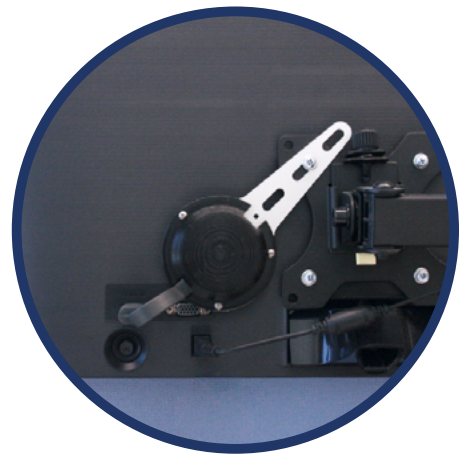

DPC

- ✓ Protection device with exclusive Ekselans anti-theft system
- ✓ 100% designed and manufactured in Spain
- ✓ Design studied specifically for the hospitality sector
- ✓ Made of anodized aluminum and PPE plastic, which provide stability, durability and good electrical insulation properties
- ✓ It has special screws to protect a possible quick disassembly of the Chromecast
- ✓ Complete protection of the Chromecast device, avoiding unwanted access and manipulation
- ✓ Hides any type of light to avoid disturbing the guest
- ✓ Easy to install to one of the screen's fixing screws
- ✓ Allows the Chromecast to be safely approached towards the HDMI connector thanks to its pendulum format
