

EK ROLLER XL - 151074

EK  LLERXL

Cable unroller/roller device for coaxial cable compatible with Ek ROLLER XL

DESCRIPTION

Cable unroller/roller device for coaxial cable compatible with Ek ROLLER XL

STRENGTHS

- Versatile cable dispenser, suitable for all types of formats, from small cardboard reels or 500-meter reels to 100-meter corrugated tubes
- Patented device compatible with the entire range of EK-OPENETICS-compatible products
- It can be attached to the coil while it is lying flat, or the coil can be placed directly on top of it
- The cable guide accessory makes it easier to unwind the cable at different angles
- The only cable dispenser that can also be used with corrugated tubing
- It allows for wall mounting with lightweight cardboard reels such as PAUs, and EK fiber patch cords
- Exclusive, patented system
