

CAT6 RJ45 KEYSTONE

KJ C6 HQ

- ✓ Cat6 RJ 45 keystone jack for high speed data transmission (Gigabit Ethernet)
- ✓ Connector with wing-type closure easy connection
- ✓ Front cable entry at 180°
- ✓ Does not require a specific tool for connectorization (self-crimping)
- ✓ Reusable

KJ C6 HQ

TECHNICAL TABLE

REFERENCE		KJ C6 HQ
Code		393022
Category		CAT 6
Shielding		UTP
Cable exit		180°
AWG Conductor type		26--23
Protection degree		IP 20
Impact resistance		IK 03
Max. number of connections	N°	5 without refreshing the wiring
Resistance		2500 movements (insertion/extraction of the cap)
Base		Polycarbonate
Reusable		Yes
Halogen free		✓
UV resistant		✓
Self-extinguishing		850°C/30s for insulating components that keep live parts in place 650°C/30 s for other insulating components
Maximum current		1,5A
Breakdown voltage	V	≥ 1000
Contact resistance	mΩ	≤ 20
Insulation resistance	mΩ/VCC	≥ 500 a 100
Storage temperature	°C	-10 a +70
Operating temperature	°C	-10 a +60
