PIGTAIL KITS EK ROLLER - CPR Dca

PFR 10 DT · PFR 15 DT · PFR 20 DT · PFR 25 DT · PFR 30 DT · PFR 50 DT · PFR 70 DT · PFR 100 DT

CPR Dca

√ Fiber optic pigtails with 2 SC / APC anti-dust adapters and pigtail

√ Different lengths available (10, 15, 20, 25, 30, 50, 70 and 100m)

√ Pigtail with CPR Dca cover. External mounting ears, no need to open the rosette lid.

√ Easy cable pull traction system

Ek ROLLER

PATENT PENDING

Ek ROLLER is a new concept of cable dispenser patented by EK that presents unique advantages in the market. Its low weight and size allows it to be stored in the toolbox and it makes it very easy to use in any situation and environment. Thanks to its robust steel structure, supports both light reels of less than 1kg and reels of more than 30kg

√ The quick fixing system to the fiber optic distribution kit boxes allows an easy and toolless swap in just two seconds

√ EK ROLLER allows not only the unwinding of cable by simply pulling it, but also makes it easy the tedious task of winding the excess cable at the end of the installation

√ The EK reels compatible with EK ROLLER also consist of an innovative system that prevents the excess cable from becoming entangled and guarantees a fluid unwinding of the same
Ek ROLLER +
Includes a stabilizer accessory that adds weight to optimize the rotation of light coils or with little cable. The accessory has a optimized diameter for the range of PFR and PCR references, and it's also used on light coils compatible with **Ek ROLLER**.
